

Thank you for agreeing to host a Covid-19 Vaccination clinic for children under five. We truly appreciate your commitment to keeping your community as safe as possible.

We know that the idea of hosting this clinic might feel overwhelming and want to assure you that we are here to support you and to make this as easy as possible.

We have created materials and have included them in this package. There are materials for you (the host), the parents, activities for the kids, and even some "goodies". We've also included a USB stick in case you need additional copies.

If you have any questions about the materials, how to use them, or any questions about hosting the clinic, please contact either
Maureen Leary mleary@mecap.org 207-590-5564 OR
Ryan Denbow denbowr@mecap.org 207-263-7213

We are here to support you!

With appreciation,
The MeCAP Team
